

VACCINE CONFIDENCE & COMMUNICATION

COUNCIL OF EUROPEAN DENTISTS

28 JUNE 2022

13-14H CEST, ONLINE

A session organised by University of Antwerp within the scope of the [IMMUNION project](#), in collaboration with the Coalition for Vaccination and the Council of European Dentists.

OBJECTIVE

Advocacy for vaccinology via healthcare providers, with a focus on knowledge and communication.

PROGRAM

13:00-13:45 **Opportunities and how to communicate about vaccines by healthcare providers (who are not vaccinating)**

Prof. Dr. Pierre Van Damme

University of Antwerp, Belgium

- *The role of the healthcare provider*
- *Vaccine hesitancy and communication*
- *Dentist-patient relation*

13:45-14:00 **Tailored Q&A**

REGISTRATION

Participating is free of charge, but registration is required by email to vaxcom@uantwerpen.be, mentioning your name, country and that you would like to register for the “CED session”.

IMMUNION is co-funded by the
European Union's Health Programme
